Nobody fucks it up like I do  
She'll want some more before I'm through  
Let me in, let me in again and again  
Can't hold me back baby, don't you know it  
All the things that I wanna say  
Just shoot the gun and I'll be on my way  
Let me in, let me in again and again  
Can't hold me back baby, don't you know it

I'm a wild man  
Coming your way so let the fun begin  
I'm a psycho killer  
Once the fun starts baby it won't end  
I'm a wild man, honey  
Coming your way so let the fun begin  
I'm a psycho killer  
Once the fun starts baby it won't end  
Get wild

Nobody fucks it up like I do  
The funs alive and it's coming for you  
Let me in, let me in again and again  
You know I'm bad, don't you know it  
Hearts pumping, yeah it can't be beat  
You can't take me off of my feet  
Let me in, let me in again and again  
You know I'm bad, don't you know it

I'm a wild man  
Coming your way so let the fun begin  
I'm a psycho killer  
Once the fun starts baby it won't end  
Get wild  
I'm a wild man, honey  
Coming your way so let the fun begin  
I'm a psycho killer  
Once the fun starts baby it won't end

Start it up  
Start it up  
Start it up  
Get wild
