Verse:

There are things that I saw living inside you.
Stolen fruit tastes oh so sweet

Pre:

Its not enough till we say its enough.
Its never enough we dont know when to stop.
Its never enough we dont see but its coming.

Chorus:

And then you push me
Giving in a little
Push me, Giving in a little
Makes me want a little more of you.
Makes me want a little taste of you.

Verse:

Lend a hand, by biting the one that feeds you.

Hope its worth, what you did to me.

Pre:

And all this time youve been building it up.
Just one little move brought it all to a stop.
Now youve done enough, time to take what is coming.

Repeat Chorus:

Bridge:

Stolen sweets are always sweeter.
Stolen kisses much completer.
Stolen looks, so nice in chapels.
Stolen, stolen are your apples
