

House Of Freaks "I Confess"

Visit "[I Confess](#)" on [MotoLyrics.com](https://www.motolyrics.com)

Here I sit
In a crowded room
Selling you a lie
In a worn out tune

Throwing my words
Against the roof and walls
I shove down my throat
To forget them all

I do, confess to you now

I know what I'm saying
I know what I'm doing
I do

Look in the mirror
And all I see
Is a strangers face
Staring back at me

Comb my hair
And shine my shoes
It's all a stupid joke
I confess to you

I do, well, it's true
