I use to have so many questions
I use to want all the answers
But something went wrong
And I got happy

I thought that people were monkeys
I thought that I, just an animal
Don't pass me the gun
'Cause I got happy

Now it's okay
Let the mockingbird sing
'Cause I got happy

Yeah, its okay
Let the hammers ring
'Cause I got happy

I looked for signs from the heavens
I searched the bottom of the ocean
Now I don't care
'Cause I got happy

I use to preach on a pedestal
I use to point my finger
I came back home
And I got happy

Now it's okay
Let the bombs exploded
'Cause I got happy

Yeah, it's okay
Let the cactus grow
Now that I'm happy

I saw the sun on the horizon
I saw my father in a grave year
But something went wrong
'Cause now I'm happy

I use to preach on a pedestal

I use to point my finger
I came back home
And I got happy

Now, it's okay
Let the mockingbird sing
'Cause I got happy

Now, it's okay
Let the bombs explode
Let the cactus grow
