Oo oo little red,
With your heart in Stalingrad,
Oh, it kills me how they hate you,
But they just don't understand.
Oh red,
When they put me on the stand,
I will testify I loved you,
And I'm not ashamed to be your comrade.

Red, red, baby's a red,
She's blood red,
Baby's a red,
The feds said,
"Lock her in lead,
She's red," but I love her.

(Hammer and sickle on my mind.)

Oo oo little red,
It's not like McCarthy said,
Though we differ on religion,
We both support the working man.
Oh red, if the bombs fall on our lands,
Then our politics won't matter,
Only that I loved you until death.

(Hammer and sickle...)

Red, red, baby's a red,
She's blood red,
Baby's a red,
The feds said,
"Lock her in lead,
She's red," but I love her.

Oh, yea, baby's a red,
She's blood red,
Baby's a red,
The feds said,
"Lock her in lead,
She's red," but I love her.

I want to touch you, and I'm not afraid,
I want to touch you, and I'm not ashamed,
I want to tell you, that I'm not afraid,
They'll burn us at the stake!

I want to love you, and I'm not afraid,
I want to love you, and I'm not ashamed,
I want to love you, and I'm not afraid, oh baby.

Hammer and sickle on my mind.
Saint Petersburg in summer time.
Hammer and sickle on my mind.
Stars over Moscow shining bright.
Hammer and sickle on my mind.
The shores of Astrakhan are fine.
Hammer and sickle on my mind.

Red, red, baby's a red,
She's blood red,
Baby's a red,
The feds said,
"Lock her in lead,
She's red," but I love her.
