Midnight,
At the school
'Hind the bleachers
There's gonna be a rumble
The lions and the kings
And my baby, she cries
In her bed and she worries
And my baby, she prays
God save the kings!

Promise me you won't do anything crazy
I promise you I won't do anything, baby
Promise me
I promise you nothing!

We're outcasts only cuz we choose to dream
We're princes who'd rather dine with thieves
We're honest only cuz the truth, it cannot hide
God save us, the foolish kings

Midnight,
At the school
Behind the bleachers [hey baby, lets go lets go]
There's gonna be a rumble
But the cops won't be notified [whoa, whoa, whoa,
whoa]
So the lions bear their arms
But the kings gonna break the hearts of their babies
tonight

We're daring only cuz we've none to lose
We're lions missing half our teeth

We're honest only cuz the truth, it cannot hide
God save us, the foolish kings
God save us, the foolish kings

And we fight cuz
We'd rather break our bones
Than brave this loneliness
We draw blood cuz
We're just trying to draw out some significance

But I met God on the street tonight
And he said,
"Choose your battles wisely
Or you'll never find Me"

Promise me you won't do anything crazy
Promise me
I promise you
I promise you one thing!

We're devils try'n to earn our angels wings
We stumble at every turn indeed
We're desperate chasing down the love to just survive
God save us, the foolish kings [promise me you won't
do anything crazy]
God save us, the foolish kings [promise me, promise
me]
God save us,
God save us, the foolish kings!
