-Verse 1-

I could be in love, if
You wore that dress everyday
With your hair just-so and your eyes are grey
You'd make a beautiful bird on a line,
A beautiful bride of Frankenstein,
A beautiful drop of iodine

If you were mine (x3)

-Verse 2-

I could be in love, if
The sun came out everyday
And set the sky on fire and the city grey
I'd be there at the drop if a dime

If you were mine (x3)

-Chorus-

If you were mine,
I'd tear the altar down of all that I've lost to romance.
If you were mine,
I'd risk my dignity if only to give love a chance.

If you were mine,
I'd have the world.
I'd have the world,
If you were mine.

-Verse 3-

I could be in love, if
The sirens sang everyday
You draw me closer to destiny
Give us a smile meant to shine
Me and my bride of Frankenstein
A beautiful bird on a line

If you were mine (x3)
Would you be mine?
Could you be mine?

-Chorus-

If you were mine,
I'd tear the altar down of all that I've lost to romance.
If you were mine,
I'd risk my dignity if only to give love a chance.

If you were mine,
I'd have the world.
I'd have the world,
If you were mine. (x2)

Oh, if you were mine...

If you were mine,
I'd have the world.
I'd have the world,
If you were mine. (x2)

If you were mine...

-Chorus-

If you were mine,
I'd tear the altar down of all that I've lost to romance.
If you were mine,
I'd risk my dignity if only to give love a chance.

If you were mine,
I'd have the world.
I'd have the world,
If you were mine. (x5)
