up the stairs and down the hall  
to your door and through your wall  
sorry that i enver called, sorry that i never called you  
so please come to your window  
i've been throwing rocks all night

\*Chorus\*

i must be, i must be crazy  
i never thought it would come to this  
and maybe suicide by small incraments  
amazing  
i'll admit that its amazing  
i cannot get my hands around it

brick by brick i build these walls  
brick by brick i build these walls  
sorry that i never called, sorry that i never called you

\*Chorus\*

so please come to your window  
i've been throwing rocks all night  
i must be, i must be  
i must be crazy baby (x4)
