Hold loosely to my hand  
'Cause it's a long, long road,  
And you don't know and I don't know  
Where it goes or where it ends.  
It's a long, long road.

You're gonna get back on the front page  
Baby, take turns driving your Mercedes  
Get back you don't even know if you can (whoa)  
Get back on the run way  
Honey, do it for love not for money  
Get back You don't even know if you can (whoa)

It's complicated  
It's long and winded  
I've been frustrated  
But I know you can make it

It's complicated  
It's long and winded  
I've been frustrated  
But I know you can make it

You're gonna get back on the front page  
Baby, take turns driving your Mercedes  
Get back you don't even know if you can (whoa)  
Get back on the run way  
Honey, do it for love not for money  
Get back you don't even know if you can (whoa)

I sell my passion for a dime,  
Unto a thousand hungry eyes  
I covet kingdoms crumbling,  
What will we do when the fickle flee

I sell my passion for a dime,  
Unto a thousand hungry eyes  
I covet kingdoms crumbling,  
What will we do when the fickle flee

You're gonna get back on the front page  
Baby, take turns driving your Mercedes

Get back, you don't even know if you can (whoa)  
Get back on the run way  
Honey, do it for love not for money  
Get back you don't even know if you can (whoa)

Get back on the front page  
Baby, I'm yours if you don't say maybe  
Get back, you don't even know if you can (whoa)
