No, I don't want you back but I don't want you with him  
No, I don't love you still I hate him so, though

Guess, I'm off the hook if you're not my victim  
Must be somethin' else that's in my skin  
I hate it, this doesn't feel like gettin' well  
This doesn't feel like anythin' good

I'm pulling back the skin here, I'm takin' out the pins  
here  
I'm findin' that you're still in here, I'm pulling back the  
skin  
Yeah, yeah, begin pulling back the skin

I would like to see you only if to see you cry  
I would like to kiss you only to kiss you goodbye  
At best I've bad intentions, and at worst I'd rather die  
Than see you with another guy

I'm pulling back the skin here, I'm takin' out the pins  
here  
I'm findin' that you're still in here, pulling back the skin  
Yeah, yeah, pulling back the skin here, takin' out the  
pins here  
I'm findin' that you're still in here, I'm pulling back the  
skin  
And I'm pulling back the skin

I appear to have come undone  
But I broke you first, yeah, I broke you worse  
And I appear to be the jealous one  
But I broke you first, am I broken worse?  
And I remember everything, oh yeah

I have this dream where I'm bleedin'  
We're in your car, I start to panic  
Waves are crashin' overhead  
The stars are shinin', you left me for dead

Down by the shore  
I told you that I did not love you anymore  
There's tears in your eyes

How I've tried to let you go  
The words I said were lies, I did not know

Get in the car and drive  
See if what's mine is mine  
See if the dead can rise  
I'm washed away
