Up the stairs and down the hall
To your door and through your wall
I'm sorry that I never called
I'm sorry that I never called

I can't lose you
'Cause you're my only one
I can't lose you
'Cause you're my own

I must be crazy
I never thought it would come to this
And maybe
It's suicide by small increments
Amazing
I'll admit that it's amazing
I can not get my hands around it

Brick by brick I built these walls
Brick by Brick I built these walls
I'm sorry that I never called
I'm sorry that I never called

I can't lose you
'Cause you're my only one
I can't lose you
'Cause you're my own

I must be crazy
I never thought it would come to this
And maybe
It's suicide by small increments
Amazing
I'll admit that it's amazing
I can not get my hands around it

So please come to your window
Been throwing rocks all night

I must be

I must be crazy

I never thought it would come to this
And maybe
It's suicide by small increments
Amazing
I'll admit that it's amazing
I can not get my hands around it

So please come to your window
Been throwing rocks all night

I must be
I must be

I must be crazy, baby [I never thought it would come to
this]
I must be crazy, baby [It's suicide by small increments]
I must be crazy, baby [I never thought it would come to
this]
I must be crazy, baby [It's suicide by small increments]

I must be!
I must be!
I must be!
