When I get lost in a sea of grey  
When I get tangled up in the wires  
And my only hope is a beggar's grace  
It's you that I find  
Before I'm blinded

I can see you there, in a rain of fire  
Reaching out for me, I can touch it  
I can hear your voice, calling out my name  
I wanna touch this light  
Oh Oh Oh Oh  
Oh Oh Oh Oh  
Oh Oh Oh Oh

When I feel crushed underneath the weight  
Cursing every step as I toe the line  
I say my prayers to a rebel king  
And your light shines  
Before I'm caught up in it  
I can see you there, in a rain of fire  
Reaching out for me, I can touch it

I can hear your voice, calling out my name  
I wanna touch this light  
Oh Oh Oh Oh  
I wanna touch this light  
Oh Oh Oh Oh  
I wanna touch this light  
Oh Oh Oh Oh  
I wanna touch this light  
Oh Oh Oh Oh

Make a run, Make a run for the sun  
Make a run, make a run touch this light  
Make a run  
Make a run  
Make a run

If I could see what you see in me  
If I could push through the crippling fear  
Then I would run with the raging wind  
Then I would live again

I can see you there, in a rain of fire  
Reaching out for me, I can touch it

I can hear your voice, calling out my name  
I wanna touch this light  
Oh Oh Oh Oh  
I wanna touch this light  
Oh Oh Oh Oh  
I wanna touch this light  
Oh Oh Oh Oh  
I wanna touch this light
