In this silent hour, I can hear them
I pray to the mother
But the mother doesn't love my soul
In the blackened earth, lay my secrets
The hounds of hell know everything
At the moon they howl
I cut away, I get away
I hide away from the light
Still they smell my fear
And they will hunt me like the animal I've been

Cut, cut, cut
Cut a hole in the night
Aaaaaahhhhhhhh
The voices of the innocent are coming to life
Aaaaaahhhhhhhh

Cut, cut, cut
Cut a hole in the night
Aaaaaahhhhhhhh
The voices of the innocent are coming to life
Aaaaaahhhhhhhh

In a graceless world
I was graceless
I'm just a murderer 'cause murder was my only chance
Though IÂ'm wretched
I am not faithless
The ears of God hear everything
And he hears them still
Every cry, every breath,
In every land that I've slain
Just to save myself
How can God show mercy
I was merciless to them

Cut, cut, cut
Cut a hole in the night
Aaaaaahhhhhhhh
The voices of the innocent are coming to life
Aaaaaahhhhhhhh

Cut, cut, cut
Cut a hole in the night
Aaaaaahhhhhhhh
The voices of the innocent are coming to life
Aaaaaahhhhhhhh

"Your greatest sin, is not the abortion that you've asked forgiveness for, or the adultery, or whatever it is that you did in your life, in a past that you're ashamed of, that keeps hounding you... your greatest sin is not that, your greatest sin is not believing God's word when God says you're forgiven! Your greatest sin is unbelief. You want to repent of something, friend? Stop repenting of sins you've already repented of, and repent of your unbelief."

The voices of the innocent are coming to life!
