eeeeeeeeeeeeeeeeeeeeehhhhhhhhhhhhhhhhhhhhhhhhhhh

You never heard of redrum in reverse

Bodies in the hearse

Now your life's gone cause we wanted you to die

Time to kiss your ass good bye

Don't ask why murder, murder, murder, murder you

never heard of redrum in reverse

Bodies in the hearse

comptilation of murder

it's like 2 ton monsters ready to exist with the flick of
my wrist

jail cells gangle in my head,

alive or dead wide spread across the couch feeling is
being red,

another more I know I'm gonna have to kill us,

but we're gonna kill them first lets do this,

pop up gather my pistols, pick up some rope, zip up my
coat,

my mind soak with thoughts of close and dangers
being lunged at me,

plunged at me, white sheets are flunged at me,

I gots to run, check my gun for the last time cause I
might not be back,

I scream forward attack, ain't no turning back my
target is on site,

no eating rice tonight, no cuffs, no bluffs, the is being
stuffed ,

my luck is like zero, nothing but skill is gonna take em
out,

put hearts to the floor nothing but screams and shouts,
whats this about

you mister kkk blacks on my side, whites on my side

now it's time to play hang man,

grab my rope, it's loose my black noose with the loop ,

my guns raising to my legs gonna poison you, shot

shot boom rat a tat

eight heads they fall trying to kill em all, my stomach is
kinda crampin yall,

got hit by shrapenal, moving my black ass quick boom I
here shots hit in the mouth,

damn I'm blacking out, aaahhh shrapenal oooohhh oh
shit that hurts,
to late I hear them coming, running what's left, last
dance with the angels god
I stand there for you blessed murder, murder, murder
You never heard of redrum in reverse
Bodies in the hearse Now your life's gone cause we
wanted you to die
Time to kiss your ass good bye don't ask why murder,
murder, murder, murder
You never heard of redrum in reverse
Bodies in the hearse
Now your life's gone cause we wanted you to die
Time to kiss your ass good bye don't ask why
ok so my timing's bad but it's not like I havn't paid my
dues
