Four little pigs

The time? Tlme to make a ham sandwich
Lil pig aint nothing but a punk ass snitch
But the only good cop is a dead cop
So im gonna swing my knife and let there head drop
But the beet wont stop, Till i grab my pork chops
And i might ?? on a man selling ?? Nigga

No love for the boys in blue

I kill, and my will

Harras my black ass for carrying steel

Call my crews, Your crews, They snooz

They go pop, I grass out, For the fist

They cant stop, They cant stop

Down the ally way, Im court out like a fuckign rat

I dont resist arrest, Handcuffed and packed in the back

On my way to the station, Wat they dont know wont hurt

?? the pigs the jerks

Stopped at the station to escort me in

E.X.P put the sons of bitches in ???

Bitches on his way catch a wig tho

I gotta go out ????? others

Now know they know

So here we go again, And again

The sirens they roar

So we float to the ?? just to even the score

Up the stairs run, run and we run

I picked up the troops

About to get this up in ur ass - Whoop!

There it is for the Nine Tray

Ima pig skinna and i live and i die today

So yo

Cops aint shit to me

Cops aint shit to me

Cops aint shit to me

Cops aint shit to me

Cops aint shit to me

(Till End)
