Roy and I were drivin' together havin' a hell of a time
Roy is dead, my soul is bled, I've left you behind
Think it's a house in (?), think it's a house indeed
Think it's a house in (?), I got my feelings hurt

You've got a lot of nerve
You'll get what you deserve

Roy and I were slidin' together havin' a hell of a time
Roy is dead, my name is Fred, I've left you behind
Think it's a house in (?), think it's a house indeed
Think it's a house in (?), I think I've lost my head

You've got a lot of nerve
You'll get what you deserve

Boozers and losers
These clothes, they don't fool us
Someone, somewhere, somehow, take me home

Roy and I were drivin' together havin' a hell of a time
Roy is dead, his soul is bled, he's left me behind
Think it's a house in (?), think it's a house indeed
Think it's a house in (?), I hope you know the rest

You've got a lot of nerve
You'll get what you deserve
Yes you will
