Ha!  
She said, she said, she said  
And she don't wanna hear about it, no  
You see it's ditchin' times in my life  
And I don't care to talk about it  
But I got nowhere to go  
Time and time and time again  
She said, she said, she said  
And she don't wanna hear about it, no  
You see if you read my mind you'll find  
That I don't even know about you  
Sure is cold out here tonight

Time and time and time again  
Ha!  
She said, she said, she said  
And she don't wanna hear about it, no  
You see it's murderin' time and I find  
That you don't wanna know about it  
No!  
Sure is cold out here tonight  
Time and time and time again
