My heart is an alligator  
Better watch your step  
Watch your step

This heat is an incubator  
Make a diamond sweat  
Wanna bet

Live life like you're flying solo  
Never in the net  
In the net

Dancing in silence the orchestra late  
In the Essoldo or down by the lake  
I don't care

Take me to Vermilion Sands  
Hold me in familiar hands  
Take me to Vermilion Sands

Sand yacht on a thermal roller  
We were never there  
Never there

Live life like you're flying solo  
Never in the air  
In the air

Dancing in silence the orchestra late  
In the Essoldo or down by the lake  
I don't care

Take me to Vermilion Sands  
Hold me in familiar hands  
Take me to Vermilion Sands

My heart is an alligator  
Better watch your step  
Watch your step

This heat is an incubator  
Make a diamond sweat

Wanna bet

Take me to Vermilion Sands  
Hold me in familiar hands  
Take me to

Take me to Vermilion Sands  
Hold me in familiar hands  
Take me to Vermilion Sands
