No I can't slow down, cause I'm so fired up
I've got a physical addicton babe, but I can't get
enough
I can feel the heat, when it's cold outside
So baby open up your door and let me see what resides
on the other side

I just want to be loved, by a girl like you
I just want to be loved, so baby put the hurtin' on me

Is there a doubt in your thinking?
That if you give up too soon I'll be leaving
But they're aren't no rules in this lonely heart
I can see temptation in your eyes babe
That's the way I know it can start

I just want to be loved, by a girl like you
I just want to be loved, so baby put the hurtin' on me
Cause I just want to be loved, by a girl like
So baby put your lovin' on me

C'mon girl, see for yourself
You want love

I just want to be loved, by a girl like you
I just want to be loved, so baby put the lovin' on me
Cause I just want to be loved, now I'm asking for the
last time
I wanna be loved, so baby put the hurtin' on me
I wanna be loved
Now I'm asking for the last time
