"Holy River"

This world is up, were moving out today
Every moment lost or found just get away
All I wanna do is spend this time with you
Swim that holy river in your mind

Where are the signs? look at the road
Where are the people, beautiful people?
Nobody knows where do they go
Youve got the words, youve got the mind
Youve got the reasons all of your life
Youve got it all, this heaven is yours

Swim that holy river in your mind

This world is up, were moving out today
Every moment lost or found just get away
All I wanna do is spend this time with you
Swim that holy river in your mind
