Tears that lie on my face
Dont show the thorn in my mind
Ill sip this honey all night through
Just to drink to a vision of you
Im lost in the blues and nobody knows it

I got myself loaded and I drove
Had a bang, spent a night in the cells
And I was so sorry, so ashamed
Though I know Ill do it again
Im lost in the blues and nobody knows it
Im lost in those dark old hours, shes gone away
Im low as the deepest sea and laughters completely
left me
Lost in the blues and nobody cares

I get out on the street, Ive got flowers in my hands
Ive got clothes, Ive got shoes but Ive got no love at all
Money isnt everything, you cant buy luck
You can stick it up your nose
You can fly but you just cant get close to the one you
really love
