Ill be your money man, Ill be your dying man
Ill be the light at the heart of your soul
No need to take a bow, no need to make a vow
Only the best will make this show
No need to be ashamed, no need to take the blame
You got the world in the palm of your hands
Only the kids survive, get in a car and drive
Youve got the love - Ive got the time

How on earth could you say those things to me?
As I lay there beside you with my figures and my
schemes

Ill be your money man, Ill be the one you need the most
Ill be your money man, Ill be the one to be your host
Fire on the prairie, theres a major new disease
We were faking it, we couldnt cope
We split ourselves between

How on earth could you say those things to me?
As I lay there beside you with my figures and my
schemes
Time after time Id come running back to you
As I pressurized and pleaded, please dont leave the
coop

Ill be your money man, Ill be the one you need the most
Ill be your money man, Ill be the one to be your host
Ill be your money man, Ill be the soul in the heart of the
mind
Ill be your money man, Ill be the heart youll never find

Ill be your money man
Ill be your money man
Ill be your money man
Ill be your money man
