She said I never see eye to eye  
Each time I try to make friends she decides again  
Maybe its better to smile  
But she wont try, never a moment why  
Rain upon rain, drain upon drain  
Wash those tears so dry

She paints words in red  
She paints words in red

Sweet memories burn holes as big as your eyes  
Each time I try to make friends she decides again  
Maybe its better to smile  
But she wont try, never a moment why  
Rain upon rain, drain upon drain  
Wash those tears so dry

She paints words in red  
She paints words in red  
She paints words in red  
She paints words in red

She said I never see eye to eye  
Each time I try to make friends she decides again  
Maybe its better to smile

She paints words in red  
She paints words in red  
She paints words in red  
She paints words in red
