They call me  
White devil, black Jesus  
Heaven closes, hell freezes  
Ego's trippin'  
Scripts keep flippin'  
Bloods keep bloodin'  
Crips keep crippin'  
Time keeps slippin'  
And I keep fallin'  
And I can't see but I hear them callin'  
Ballers ballin'  
Players playin'  
Haters fightin'  
Righteous praying  
Dawn breaking  
Manhattan keeps making  
Brooklyn keeps takin'  
Shook ones keeps shakin'  
No time for fakin'  
Y' know w' I mean  
I ain't choppin' no pies  
Just risin' like cream  
If you're digging the scene  
If you feelin' the vibes  
Throw your hands in the air  
Scream out you're alive  
Singin' na na nana na na  
Singin' na na nana na na  
(Repeat)

They call me  
Black Jesus, white Moses  
Heaven freezes, hell closes  
B-Boy poses, punk rock chicks  
The kids are all right but I need my fix  
If you're diggin' the mix  
If you're feelin' the drugs  
If you're keepin' it real  
If you're livin' like thugs  
I spit kisses and hugs like .45 slugs  
Come back on the one and kiss my love gun  
Got a look that will kill

A voice that will carry  
Half a dozen women that I think I wanna marry  
Trouble on my mind, I'm refusin' to lose  
Still I've gotta find me someone to abuse  
So won't you run spread the news  
Help say the word  
And jump the fuck back and jus' act like you heard

They call me  
White devil, black Jesus  
Heaven closes, hell freezes  
Black Jesus, white Moses  
Heaven freezes, hell closes  
Sing na na nana na na  
Singin' na na nana na na  
(Repeat)

Singin' (Wah, wah wah wah wah,  
Shoo be doo wah, wah wah wah wah)

They call me  
White sinner  
Black martyr  
Live wire  
Fire starter  
Jungle brother  
Redneck cracker  
Freak of nature  
New world slacker  
Sex junkie lookin' for a dealer  
You can play the leper girl and I can play the healer  
Shit is only getting realer baby haven't you heard that  
the  
Bird, bird, bird, yes the bird is the word

They go one for the trouble  
Two for the time  
Three for my homies  
And four for the dimes  
Singin' lemons to the lime  
Till the break of dawn  
Excuse me ("Six minutes")  
Everlast you're on  
And they go on and on  
Like a rolling stone  
Baby anywhere I lay my hat is my home

They call me  
White devil, black Jesus  
Heaven closes, hell freezes  
Black Jesus, white Moses

Heaven freezes, hell closes  
Sing na na nana na na  
Singin' na na nana na na  
(Repeat)
