I say, hey, baby doll
You swing your shit like a wreckin' ball
5 foot 11 inches tall
Dark brown eyes, caramel skin
I ain't seen you all my life, sugar, where you been
Tell me, who's your friend, 'cause this is my man
So won't you set it off ???between 'em??? love 'cause
that's the plan
Hook your friend with my man
Come sit in my lap
I'll listen to ya yap then
I'll bust my rap
I'll size up your gap
You size up my bone
It's thick and meaty like a hot calzone
Fresh out the oven with the all night lovin'
I'll freak the styles you like but don't get from your
husband
And when I call just tell em' I'm your cousin
I got a dozen cousins just like you

CHORUS:
Cockni O'Dire

VERSE:
Divine Stlyer

CHORUS

Hey shorty earth piece
Stop me dead
Had to cease in my tracks
Run up and ask
At any time in your life have you been blessed
No need to second guess
You be bangin' like that dress
Hangin' off your frame
If it's all the same
Let me throw ya my game
Hit ya for your name
Plus your area code
I might overload

But I won't explode, baby doll, until your ready
My name ain't crazy legs, hon, but I can rock it steady
Blowin' up the spot like Jay Paul Getti

CHORUS
