If I was in World War Two they'd call me Spitfire  
If I was in World War Two they'd call me Spitfire  
If I was in World War Two they'd call me Spitfire  
If I was in World War Two they'd call me Fire, Fire

Fire, Fire  
'Cause you know that I can

'Cause you know that I can

If I was in World War Two they'd call me Spitfire  
If I was in World War Two they'd call me Spitfire  
If I was in World War Two they'd call me Fire  
If I was in World War Two they'd call me Spitfire

Fire, Fire  
'Cause you know that I can

Fire  
'Cause you know that I can

If I was in World War Two they'd call me Spitfire  
If I was in World War Two they'd call me Spitfire  
If I was in World War Two they'd call me Fire  
If I was in World War Two they'd call me Spitfire

Fire  
'Cause you know that I can

Fire
