Are you ready  
Are you ready  
Are you ready  
Are you ready  
Are you ready for the time of life  
Its time to stand up and fight  
It's alright  
It's alright  
Hand in hand we'll take a caravan to the motherland  
One by one we gonna stand up with pride  
One that can't be denied  
Stand up  
Stand up  
From the highest mountain of valley low  
We'll join together with hearts of gold  
Now the children of the world can see  
This a better place for us to be  
The place is which we were born  
So neglected and torn apart

Every woman every man  
Join the caravan of love  
(stand up) stand up  
Stand up  
Every body take a stand  
Join the caravan of love  
(stand up) stand up  
Stand up

Im your brother  
Im your brother don't you know  
She's my sister  
She's my sister don't you know

Well be living in a world of peace  
In the day when everyone is free  
We'll bring the young and the old  
Won't you let your love flow from your heart

Every woman every man  
Join the caravan of love

(stand up) stand up  
Stand up  
Every body take a stand  
Join the caravan of love  
(stand up) stand up  
Stand up

Im your brother  
Im your brother don't you know  
She's my sister  
She's my sister don't you know (waiting for the  
caravan)

So are you ready ( he's coming )  
Are you ready ( he's coming )  
Are you ready ( he's coming )  
Are you ready ( he's coming on the caravan )  
You better get ready ( go for it )  
You better get ready ( go for it )  
You better get ready ( go for it )  
You better get ready
