Do U hear the thunder? (The thunder)
That's the sound of the all mighty god
And heaven do U hear the thunder (The thunder,
thunder)
That's the sound of the all mighty god
And heaven do U hear the thunder (The thunder,
thunder)
That's the sound of the all mighty god
And heaven do U hear the thunder (The thunder,
thunder)
That's the sound of the all mighty god
And heaven do U hear the thunder (The thunder,
thunder)
That's the sound of the all mighty god
And heaven do U hear the thunder (The thunder,
thunder)
