As we stroll along together  
Holding hands and walking all alone  
So in love are we two  
That we don't know what to do

So in love  
So in love

As we walk along together  
'neath the stars twinkling high above

So in love are we two  
That we don't know what to do

So in love  
So in love

I tell, I tell you my darling  
I need you, I need you oh so much  
I love, I love you my darling  
Can't you tell it from my touch

As we walk down the isle together  
As we vow to stay together till we die

So in love are we two  
Just can't wait to say I do

So in love  
So in love  
Oh you and i  
So in love
