Yeah (wow)
U know a Twizla
It's a something I've been looking for so long
(A Twizla girl)
A Twizla girl
It's the type of girl that gets me rapped up all in a lovin'
That girl that rock my world
So I could give her all the diamonds and pearls
U know, that type of girl that is beautiful on the inside
and out
Some type of girl I could get down on my knee
And propose to
And I know she's out there I've been all around the
world searching for her
(A Twizla girl)
I'm looking for you girl is you that Twizla girl?
