Visit "[So Much In Love](#)" on MotoLyrics.com

As we stroll along together
Holding hands and walking all alone
So in love are we two
That we don't know what to do

So in love
So in love

As we walk along together
'neath the stars twinkling high above

So in love are we two
That we don't know what to do

So in love
So in love

I tell, I tell you my darling

I need you, I need you oh so much
I love, I love you my darling
Can't you tell it from my touch

As we walk down the isle together
As we vow to stay together till we die

So in love are we two
Just can't wait to say I do

So in love
So in love
Oh you and i
So in love
