Yeah (wow)  
U know a Twizla  
It's a something I've been looking for so long  
(A Twizla girl)  
A Twizla girl  
It's the type of girl that gets me rapped up all in a lovin'  
That girl that rock my world  
So I could give her all the diamonds and pearls  
U know, that type of girl that is beautiful on the inside  
and out  
Some type of girl I could get down on my knee  
And propose to  
And I know she's out there I've been all around the  
world searching for her  
(A Twizla girl)  
I'm looking for you girl is you that Twizla girl?
