yea  
you are my love  
Check it out...

yeah babyy  
whoaa (uh-huh)  
ooooooh  
c'mon

baby only you can touch my soul  
to feel a  
feeling that words  
cannot express  
lost in the deepness  
of love like heaven  
above...

Chorus:  
she is  
the moon  
the stars  
the light the dark  
i see  
when she is here  
she is  
the air i breathe  
the one i need  
in order to  
proceed  
she is  
the wind that blows  
my heart it beats  
in her body  
you know  
she is  
the moon  
the stars  
the light the dark  
i see  
When she is with me...

my love, feel me

emotions making  
love you, got to  
let yourself go  
lose all control  
look into your eyes (love)  
make sure you're all right  
tears cry, likewise  
Tonight...

(Chorus)

girl i live for you,  
I'd be there for you  
i would die for you  
I'll fight for you  
don't wanna lose you  
'cause my love is true (baby)  
girl you don't know what you mean to me  
this is where you oughtta be  
i wanna love you  
hold you  
kiss you  
miss you... (no, no.. whoaaa)

(Chorus 2x)

ohh  
baby  
I'm yours  
baby girl  
ohhh  
yea, yea  
she is..
