### "Up All Night"

We meet for coffee and a cigarette and talk about how  
feelings get  
When we hear certain songs that hit the spot and put us  
in a world that's not.

Sing me songs sue  
Tuck me in too  
When "High and Dry" is on  
Nothing goes wrong

She seems like someone who'll be there for me I'm  
loving that stability  
She has a curious and uncanny charm that really  
attracts me.

What's the matter with me because I know I can't  
commit to you?  
Something's funny when you make me so giddy and  
you know it's true.  
(something is missing and you know it's true
