

## **Houston Feat. Letoya "My Promise"**

Visit "[My Promise](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Yeah, I just wanna reassure you  
How I feel about you, girl  
Come on, I'ma take you away  
On a smooth ride to ecstasy

Let me sit ya down, take your hands so I could talk to  
you  
I never felt the way I do when I'm next to you, you  
If you were a flower you'd be a red rose, baby  
I give you my word now and forever

This I promise you I'll be there for you  
Now and forevermore, this is my promise  
This is promise you, I'll be your best friend  
Now and forevermore, this is my promise to you

Most guys wouldn't say the words that I'm saying to  
you, oh no  
But I'm not afraid to show compassion and be real with  
you, baby  
And nothing in this world can ever come between me  
and you, you, you  
Oh no, I give you my word now and forever, oh yeah

This I promise you I'll be there for you  
Now and forevermore, this is my promise  
This is promise you, I'll be your best friend  
Now and forevermore, this is my promise to you

Baby, I need you, I feel love same way too  
Nothin' I wouldn't do just so I can stay with you  
Baby, I love you, I'm fully committed to you  
Nothin' I wouldn't do just to stay in love with you

This I promise you I'll be there for you  
Now and forevermore, this is my promise  
This is promise you, I'll be your best friend  
Now and forevermore, this is my promise

This I promise you I'll be there for you  
Now and forevermore, this is my promise  
This is promise you, I'll be your best friend

Now and forevermore, this is my promise to you
