(Verse 1)

I got up from bed on day, something inside me feels
wrong I'd say.

My mom thought it was what I ate, but I knew I had to
get things straight...

With God!!!!

(Chorus)

So I prayed (and said)

Jesus, I'm not that good of a person, help me be more
like you,

(oh Lord) I'm not that good of a person, help me be
more like you

I want to be more like you

(Verse 2)

The next days were a little better, but then I got under
peer-pressure

I started acting less like God, I just was not...

Like him!

(Chorus)

(Bridge)

Now I'm leadin' people to Jesus, they're trading their
lives for him

Everybody's praising the great and mighty Lord

And all you gotta do is pray

(Chorus 2 times)
