"Mean And Malice"

Aggression and insanity drives me into rituals
Hunger for infernal bleedings, deranging normal life

Screaming, while I grind my cock into your butt
Bleeding, when I penetrate your ass
Orgasm, your soft skin covered with my cum
Neverending rape, pleasing my lust

Devastate your body
Abuse this creation of god
Beating you again and again
Mutilate till the bones appear

Slowly your body collapse
Open wounds from neck till cunt
I am your martyr
Laying drenched in blood and cum

Devastate your body
Abuse this creation of god
Beating you again and again
Mutilate till the bones appear

Aggression and insanity drives me into rituals
Hunger for infernal bleedings, deranging normal life
