Young child in the church
Infected by the holy word
Superior christians
Believe or rot in hell
Inbreeding made his choice
His life is scheduled
Blind for hypocrisy
For the beginning of damnation
Mentally mutilated
Young child molestation
Daily christian practice
Mentally mutilated
Desolate
The twelve year old will confess
The priest he knows it's coming

Welcomes the child
Penetrates its little hole
Mentally mutilated
To please christ, accept my seed, make you bleed
Love of god you will receive
[verse 1]
Mentally mutilated
To please christ, accept my seed, make you bleed
Love of god you will receive
[verse 2]
Ignorant child faces years of rape
Inbreeding creates those endless fools
To please christ
