Warm blood covered my hands,  
The rebert of insanity  
It makes me do these deeds  
Violentic murderer

Forced myself do these horrible slaughters  
Enjoying each victim I make  
I am a nightmare for those who betrayed me  
These graves were created with hate

Mutilate with sharp tools  
Incisions till the flesh is gone  
Knife carved body parts  
Paradise to purgatory

Paradise to purgatory  
Disordering anatomy  
Inclined to perforate  
Paradise to purgatory  
Demolishing bones  
Can't control myself

Forced myself do these horrible slaughters  
Enjoying each victim I make  
I am a nightmare for those who betrayed me  
These graves were created with hate

Paradise to purgatory

Mutilate with sharp tools  
Incisions till the flesh is gone  
Knife carved body parts  
Paradise to purgatory

Paradise to purgatory

Warm blood covered my hands,  
The rebert of insanity  
It makes me do these deeds  
Violentic murderer

Anger Creates my torment,  
Unleashing my vengeance  
Flesh upon my tool  
Paradise to purgatory
