Hunters in the night  
Insane and uncontrolled  
Terrorizing scared mankind  
Feared by the innocent

Parasomy

At night... I strike, cut, shred, rip, feast  
Awake... covered in blood, cut, shred, rip, feast

Unknown... I mutilate,  
Murdering... I devastate  
At night I am forced to kill, taste the blood and  
desagrate

At night... I strike, cut, shred, rip, feast  
Awake... covered in blood, cut, shred, rip, feast
