It tastes so sweet, can you smell it ? -What is this I feel -  
Roses  
in bloom, April sun and red wine - What is this I feel -  
Shredded  
to pieces - I take some more from the peach of joy - It  
all happens  
so fast - Feels like I can walk on air - It all happens so  
fast - Let the  
sun shine upon me, it's the essence of life - In ecstasy  
of never  
ending sin, I feel divined - It's like bathing in golden  
light - Now I  
never sleep till dawn - the TV is like my sun- Watching  
my favorite

porn - spanking my monkey some more -Am I this shit  
faced demon  
passed out on the floor - Why did you had to leave me -  
filthy  
stinking whore - Let the rain fall upon me - it's the  
essence of life -  
In ecstasy from vodka, beer and gin, it feels divined -  
It's like  
bathing in a pile of shit - I taste a dead rat in my mouth  
- What is this  
I feel - I throw up from vodka, beer and wine - It all  
happens so fast -  
shredded.....
