

## How It Ends "Dying Eyes"

My God, Have I had all my chances?  
Is it all down hill now?  
Have I gotten, dying eyes?  
Dying eyes

All Iâ€™ve done is nothing  
Iâ€™ve lived in fear of trying  
Your time is ticking  
Your life is full of nothing at all

Not the end, just one more chance  
I see the lights dim  
And now regret is all I have left  
My God, Have I had all my chances?  
Is it all down hill now?  
Have I gotten, dying eyes?  
Dying eyes

All Iâ€™ve done is nothing  
Wasted time, wasted life  
Your dying eyes show regret  
Regret

Not the end, just one more chance  
I see the lights dim  
And now regret is all I have left
