

How It Ends "End The Suffering"

It's all that I want, all that I need
Blood blurs everything that I see
What the fuck, can't control anything
Please God, end this suffering

In My Heart, In My Head

In My Heart, In My Head...

It's all that you are, and all that you'll be
You smother me when I'm trying to breath
What the fuck, I don't care anyway
When you, leave me suffering
In My Heart, In My Head

In My Heart, In... My.. Head...

I Hate This Life
I'm Dead Inside

It's all that I was, all that I am
I just hate with everything I can
What the fuck, I ruin everything
Just let me die I'm suffering

In My Heart, In My Head

In My Heart, In... My.. Head...

Suffering
