

## HOW TO DESTROY ANGELS "Drowning"

Visit "[Drowning](#)" on MotoLyrics.com

It's the glare from the reflection  
Making patterns in your eyes  
It's the looking back in anger  
With every second slipping by  
Undertow has come to take me  
Got it by the blazing sun  
Look at everything around us  
And look at everything we've done

Please, anyone  
I don't think I can save myself  
I'm drowning here  
There's a tiny little window  
Swarms of locust fill the sky  
Maybe I just disappear  
If I can keep my head above the tide

Please, anyone  
I don't think I can save myself  
I'm drowning here
