A million lies that now define  
Us all together  
A new ideal, all so real  
Like I remember

And sometimes I  
Get lost in time  
Sometimes I fear  
I'm lost in here

All these little strings  
Holding us together  
All these precious things  
Can make them last  
All these little strings  
Keep holding us together  
All these precious things  
Make them last forever

So very slow  
You'd never know  
The moment fading  
We watch the end  
Over again  
And keep repeating

I feel like I'm  
I feel like I'm  
I feel like I'm  
Just disappearing

All these little strings  
Holding us together  
All these precious things  
Can make them last  
All these little strings  
Keep holding us together  
All these precious things  
Make them last forever
