It's cold outside
Theres no kind of atmosphere
I'm all alone, more or less
Let me fly far away from here
Fun Fun Fun, in the Sun Sun Sun
I want to lie, Shipwrecked in-comatose
Drinking fresh mango juice
Gold fish shoals
Nibbling at my toes
Fun Fun Fun in the Sun Sun Sun
Fun Fun Fun in the Sun Sun Sun

I pack my bags and head into hyperspace,
Where I'll succeed at time-warp speeds
Spend my days in ultraviolet rays
Fun Fun Fun, in the Sun Sun Sun

We'll lock on course straight through the universe
You and me and the galaxy
Reach the stage where hyper-drive's engaged
Fun Fun Fun, in the Sun Sun Sun
Fun Fun Fun, in the Sun Sun Sun
