It's time to say goodbye for now  
We'll have our second time around  
But before we go  
There's something I'd like to say

Every thing's not what it seems  
There's a stronger force behind the scenes  
He's in our lives every day  
He's right there when we call

In Him is where our strength lies  
I'll lift my eyes beyond the skies  
Only He can save my life  
And only He can hear my cry

I wanna thank You, God  
For giving me one more chance  
To raise my voice and to sing Your praise  
I sing it out loud, I sing it all day

This song in my prayer  
I give to only You  
It can't compare to the gift from You  
He gave us His love, He gave us His Son  
Oh yeah, Jesus

I know there's some who don't believe  
Some times it's very hard to see  
Oh, we live this old life every day  
Some things don't go your way

But to be without is not His will, no  
There's cattle on a thousand hills  
And they're all yours to claim  
Claim them in His holy name

See, we don't have to beg or crawl, no  
He'll see you standing proud and tall  
He'll give His everlasting love  
Come to Him as you are

I wanna thank You, God

For giving me one more chance  
To raise my voice and sing Your praise  
I sing it out loud, hey, I sing it all day

This song is my prayer  
I give to only You  
It can't compare to the gift from You, oh  
See, He gave us His love, He gave us His Son

I wanna thank You, God  
For giving me one more chance  
To raise my voice and to sing Your praise  
I sing it out loud, oh, I sing it all day

Said, it's my prayer  
I give to only You, yeah  
It can't compare to the gift from You, yeah yeah  
You gave us Your love, You gave us Your son

Now I say Amen  
God, our Father, Father  
I say Amen, I say Amen
