You don't have to say this love's forever  
I can see it in your eyes tonight  
You don't have talk about tomorrow  
hold me in your arms tonight  
My love

Silently you and me  
caress each other's hearts desperatley  
We long to be lover's forever

Wanting you the way I do  
burns a fire deep inside  
touching you I never knew I could feel this way

You don't have to say this love is forever  
I can see it in your eyes tonight  
you don't have to talk about tomorrow  
hold me in your arms tonight my love

So tonight will love  
inside a warmth comes over me  
Passion high  
feel so right  
love eternity

Words cannot begin to tell the way I feel for you  
we share a special kind of love that's only shared by  
two  
Words cannot begin to tell the way you make me feel  
Unspoken is our passion; we share a love that's real...  
Love!...
