Save  
Save  
Save from the butchers knife  
Save from the experiments

Chorus  
Don't be part of it  
Don't be part of the killing  
Don't be part of it  
Don't be part of the killing

Save from the furriers track  
Save from extinction

Share a right to life

As long as there are slaughter houses  
There will be battle fields  
As long as animals die in testing  
We won't find humanity  
Save  
Save from the factory farms  
Save from the cruelty

As long as there are slaughter houses  
There will be battle fields  
As long as animals die in testing  
We won't find humanity

Save  
Don't be part of it  
Save  
Don't be part of the killing  
Save
