Between every man there is a division  
Nobody ever seems to get it right  
Even between friends there is a long gap  
One of them makes a mistake, there is a fight

Whatever you do you have the benefit of the doubt  
Whatever I do please understand  
Whatever we do let's make a pledge to put it right  
So we can end the rule of the division

Putting the dream into action, into action  
Putting the dream into action, into action

Whatever you like to do let that be my pleasure  
Whatever you like to say I'll try to understand

Whatever you do you have the benefit of the doubt  
Whatever I do please understand  
Whatever we do let's make a pledge to put it right  
So we can end the rule of the division

Putting the dream into action, into action

You are strong  
(We are strong)  
You feel it  
(We feel it)

You are strong  
(We are strong)  
You are action

Putting the dream into action, into action  
Putting the dream into action, into action

Putting the dream into action, into action  
Putting the dream into action, into action

Putting the dream into action, into action  
Putting the dream into action, into action
